Χερουβιμὸν Ἦχος 3ος ὑψίστος τῶν Βασιλείου Καμαραϊδῶν

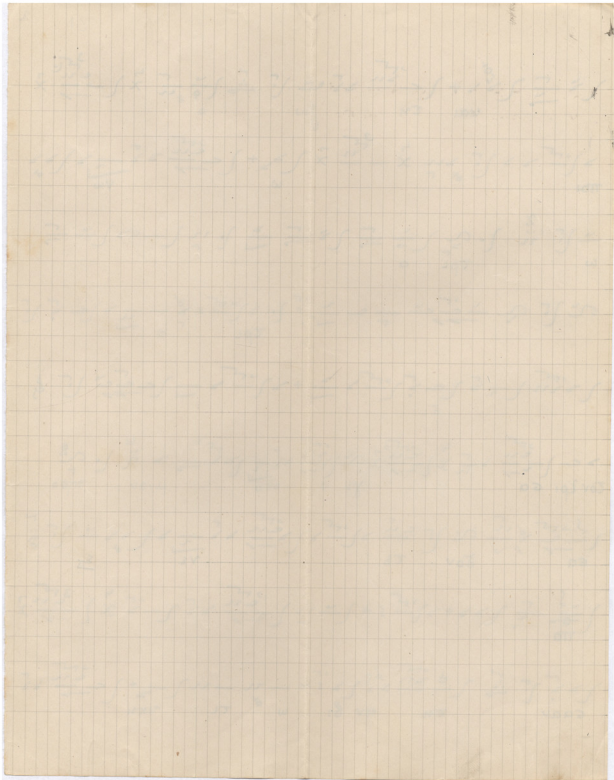

Handwritten musical notation on a grid background, consisting of several lines of notes and rests. The notation includes various rhythmic values and clefs. The notes are written in a style characteristic of traditional Greek church music.

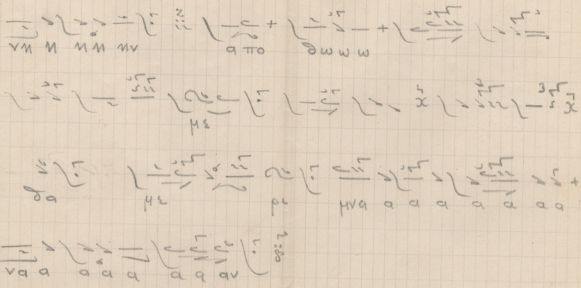

Key elements of the notation include:

- Notes:** Various note heads and stems, some with flags or beams, indicating different rhythmic values.
- Rests:** Horizontal lines with flags or beams, indicating periods of silence.
- Clefs:** Symbols at the beginning of lines, likely indicating the pitch or clef.
- Annotations:** Small letters and numbers (e.g., α , β , γ , δ , ϵ , ζ , η , θ , ι , κ , λ , μ , ν , ξ , \omicron , π , ρ , σ , τ , υ , ϕ , χ , ψ , ω) placed around the notes, possibly serving as a mnemonic or indicating specific musical instructions.
- Groupings:** Some notes are grouped together with brackets or lines, suggesting a specific rhythmic pattern or phrase.

The notation is arranged in approximately 10 horizontal lines, with some lines containing multiple measures of music. The overall style is that of a handwritten manuscript for a specific liturgical or musical piece.

The first part of the paper is devoted to a study of the
 properties of the function $f(x)$ defined by the equation

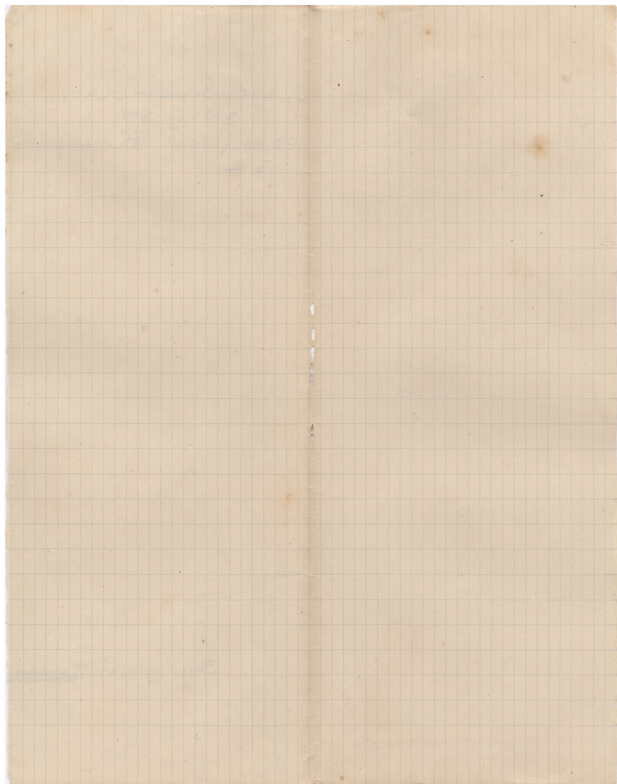

$$f(x) = \int_0^x f(t) dt + x^2$$
 It is shown that $f(x)$ is a polynomial of degree 2 and
 that its coefficients are determined by the initial conditions
 $f(0) = 0$ and $f'(0) = 1$. The explicit form of the
 function is found to be $f(x) = x^2 + x$.

The second part of the paper is devoted to a study of the
 properties of the function $g(x)$ defined by the equation

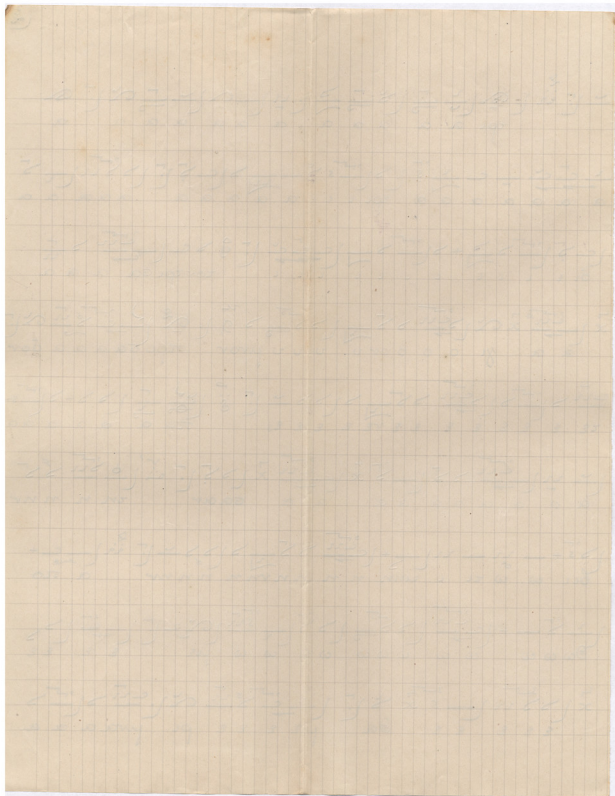

$$g(x) = \int_0^x g(t) dt + x^3$$
 It is shown that $g(x)$ is a polynomial of degree 3 and
 that its coefficients are determined by the initial conditions
 $g(0) = 0$ and $g'(0) = 1$. The explicit form of the
 function is found to be $g(x) = x^3 + x^2 + x$.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written on aged, yellowed paper and is mostly illegible due to fading and bleed-through from the reverse side. The script appears to be a form of early modern European cursive, possibly from the 16th or 17th century. The document is oriented vertically and shows signs of wear, including a vertical crease down the center and some staining at the top and bottom edges.
