1. The first part of the paper is devoted to a general discussion of the problem.

2. In the second part we consider the special case of a uniform field.

3. The third part is devoted to the case of a non-uniform field.

4. In the fourth part we discuss the results of our calculations.

5. The fifth part is devoted to a comparison of our results with those of other authors.

6. Finally, in the sixth part we give some concluding remarks.
