♩ = 50
2 *Poco a poco rall.*

mp *p* *ff* *

♩ = 60
3 *a tempo* *Poco a poco rall.* *a tempo*

mp *p* *ff* *

* Featherd beaming: The bar containing feather beamed notes has no time signature. The performer is eligible to play the notes in any increasing/decreasing speed he desires as long as he complies with the time notation above the group of notes. Therefore, the beam expands in a very small value only to state an acceleration (and the opposite).
