Handwritten notes on the first line, including mathematical symbols like $\frac{1}{2}$ and $\frac{3}{4}$.

Handwritten notes on the second line, featuring a sequence of numbers and mathematical symbols.

Handwritten notes on the third line, containing mathematical expressions and symbols.

Handwritten notes on the fourth line, with mathematical symbols and numbers.

Handwritten notes on the fifth line, including mathematical symbols and numbers.

Handwritten notes on the sixth line, with mathematical symbols and numbers.

Handwritten notes on the seventh line, containing mathematical symbols and numbers.

Handwritten notes on the eighth line, with mathematical symbols and numbers.

Handwritten notes on the ninth line, including mathematical symbols and numbers.
