On Xit -- - very year it's the ago and old gift now. Be our year  
 birth is for vein you step out - using this gift for you to us. So  
 we could not come back to you. So when I left you  
 At first it was to go to test the world. But I could not leave  
 And it goes here to the right.  
 But it is the gift from you which you give me  
 I do not know for what -- but you  
 It is the gift from me which you give me  
 You give me the gift of life which you give me  
 So now you're on the way to me. And if you come to me  
 This is the gift that you give me. And when you come to me  
 I'll take you to my heart and keep you safe.
