FAX to RENA

26.8.92

Hello Rena

free Mikis

What I know now in Norway are Bergen 27,28,29,Stavanger 30 and maybe the 1st of Oct. The 2 Oct is left free for Mikis to go to Germany (you told about the TV in Germany), 5-6 Oct are in Oslo. The second period in Norway is not yet ready.They are building it.

Economics: Tell Mikis that everything is OKEI according to what we agreed. I have done exactly what we talked with Mikis in Trondheim. We get what we decided to ask. If he wants to talk about the sums, let me know where and when I can telephone or send the fax.

About November: It is very important to hold it free so far, because a big planning is going on between Finland and Sweden to find out the possible free days for the concert halls. I give you some possibilities: after the 7th of Nov in Sweden we are asked to participate in the biggest Norwegian Television program the 8th of Nov with 8 million people watching, extremely important. It is a traditional 12 hour program that takes all the Sunday with different program points with the actual thema around which the Norwegian people collect money. It culminater in the evening with special international guests etc...

After that there is a possibility to go direct to Sweden with a concert the 9th somewhere and we have got another possible day for Stockholm the 11th. So we have two Stockholm possibilities: 11th and 13th. Then Mikis can go to Wien. After Wien we continue in Finland and Sweden from 16th to 21. So, in principle the whole period from 7th to 21 should be reserved for Sweden and Finland. Another possibility is to break in two like in Norway: 7-13 and 20-...and try to make Finland after 21th.

As you see, we have fixed dates: 7th, 8th (Norwegian TV), 11th and 13th Stockholm, 20th, 21th Sweden, BUT around these dates come 5-7 more concerts.

December: 4th in Sweden, 5th in Finland (Turku, a big hall for 8000 people, the only possible day free) plus possibly 6th - 8th in Finland.

Please wait until I confirm the concerts that are under construction now.

I am in London from Thursday to Sunday in my sisters number:
tel: 44 - 71 - 2679513

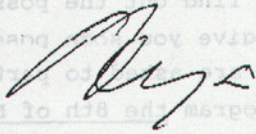

I am in Oslo from Monday to Thursday (3.9.) in Hotel Bristol:
tel: 47 - 2 - 415840

lead in Stock. 9-9.

greetings

warm greetings

Regarding Mikis & Arja Tour Setember-October 1992.

Including this letter is travel and time schedule for this tour. We will underline that the flight tickets are not changeable.

For the rehearsals we need all the instruments either on Thursday evening or at Friday morning at 8.00 to set up the rehearsal room. Please contact me if this is a problem for anyone. The rehearsals will take place at "Håndverkeren", nearby Hotel Bristol.

For the Norwegian musicians this letter also include a contract, which we ask you to sign and give to me on Friday. If you need money in advance according to the contract, please phone Tone and give her your bank account. For musicians who have to travel to Oslo, this letter also includes flight tickets. Those who are coming from abroad should already have got all needed informations concerning your flights.

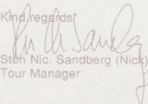

We want all musicians to perform in dark suits or smoking, and ask you to note that all roomservice and telephones in the hotels shall be payed by yourself.

We are asked to perform on November 5th for the Norwegian "Arbeiderparti" (Labour), and in that case rehearse on November 4th afternoon/evening. We are also planning to participate in the fund-raising programme on NRK/TV on November 8th, with rehearsals on 4th, 5th or 6th and a total run through on 7th. We hope to know more about this and the second part of the tour later in November on Friday.

As you, hopefully, already have understood all papers in this letter apart from the contract is in English, which is purely a result of this man hating to do things twice. If there are any questions, please don't hesitate to call either Tone or me.

I am looking forward to meet you all, and to follow you on these concerts.

Kind regards!

Oslo, October 7th 1992

THANK YOU ONCE AGAIN FOR THE TOUR.

I SPOKE TO THE AMBASADOR, MARIA ZOGRAFOU, AND THIS IS WHAT SHE TOLD ME:

ONE MONTH AGO INGEMAR REDIN WAS IN CONTACT WITH HER AND TOLD THAT YOU WERE COMMING TO NORWAY. THE AMBASADOR THEN PLANNED TO MAKE A RECEPTION FOR YOU.

AFTER THAT SHE DID NOT HEAR ANYTHING FROM INGEMAR REDIN.

THE AMBASADOR CONFIRMED THAT SHE HAD RECIVED ALL INFORMATIONS FROM MY OFFICE; TICKETS, INVITATIONS AND EVERYTHING. THE FIRST LETTER THE 17. SEPTEMBER.

I ALSO TOLD HER ABOUT OUR SCHEDULE FOR NOVEMBER. SHE WANTS TO MAKE A RECEPTION FOR YOU, AND WE AGREED THAT SATURDAY 7TH, IS A GOOD DAY. YES!

(REHEARSELS NRK FROM 14.00 - 16.00, AND THEN RECEPTION AT ABOUT 19.30 OR SOMETHING. SHE WILL CALL ME NEXT WEEK ABOUT THIS.

I WILL KEEP YOU INFORMED.

THANK YOU ONCE AGAIN FOR THE TOUR

I SPOKE TO THE AMBASSADOR, MARIA SOGAROU, AND THIS IS WHAT SHE TOLD ME:

ONE MONTH AGO INGEMAR REDIN WAS IN CONTACT WITH HER AND TOLD THAT YOU WERE COMING TO NORWAY. THE AMBASSADOR THEN PLANNED TO MAKE A RECEPTION FOR YOU. AFTER THAT SHE DID NOT HEAR ANYTHING FROM INGEMAR REDIN. THE AMBASSADOR CONFIRMED THAT SHE HAD RECEIVED ALL THE INFORMATION FROM MY OFFICE, TICKETS, INVITATIONS AND EVERYTHING. THE FIRST LETTER THE 17. SEPTEMBER.

I ALSO TOLD HER ABOUT OUR SCHEDULE FOR NOVEMBER. SHE WANTS TO MAKE A RECEPTION FOR YOU, AND WE AGREED THAT SATURDAY IS A GOOD DAY.

FROM: RUNE ÖFWERMAN - SONET MUSIC AB
ATTN: Mikis Theodorakis

Dear Mikis,

It was a great pleasure to meet you in Trondheim and to listen to the concert.

It's a pity that you wouldn't let us have the publishing rights on a 60/30 basis - or maybe you have changed your mind?

We are now facing some serious problems: One of the Swedish lyric-writers Mr TED STROEM, will not allow us to release the album without him getting paid or instead of getting paid that he gets a 10% on the mechanical part. We will have the same problem with all the other lyric-writers only they have not reacted yet. They might not even be aware of that the album has been recorded.

Mr TED STROEM has sent a telefax to ARJA and explained that he under no circumstances will allow SONET to release the album without getting paid for his work.

If we have had the publishing rights I could easily pay him out of our share, but now it's impossible.

Therefore I suggest that you take contact direct with all the Swedish lyric-writers and pay them what they are asking for or give them a mechanical share or you let us have the publishing which I personally think is a better deal both for you and us. This would also mean that I could help you in Germany.

Hope to hear from you as soon as possible as this is an urgent matter!

Give my best regards to your wife!

Yours sincerely

Dear Nina

It was a great pleasure to meet you in Trobena and to listen to the concert.

It's a pity that you couldn't let us have the publishing rights on a SONET piece - or even you have changed your mind?

We are now facing some serious problems. One of the Swedish artists on YES RECORDS will not allow us to release the album without his getting first or instead of getting first he wants a 10% share in the album. He will have the same problem with all the other artists who have not recorded yet. This should not mean that

you or that the album has been recorded.

5-YES RECORDS has sent a letter to SONET and explained that he would no circumstances will allow SONET to release the album without your consent.

It has been said that the publishing rights I could easily say the deal is done again but now it's impossible.

Therefore I cannot let you have contact direct with all the Swedish artists and say that they will accept for us give them a contractual share or you let us have the publishing rights I personally think it's better deal with for you and us. This would also mean that I could help you to Germany.

How to have you as soon as possible as this is an urgent matter.

Dear Rune,

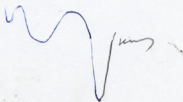

I received your FAX of 21.10.92 and I would like to thank you very much for it.

But it is really very difficult for me to imagine myself conducting ... two musicians. This would be a new record for Guines book!

In my opinion, the best solution is to accept the participation in the TV-Show only with Arja and the two musicians. I think, this is enaugh... And I hope, that we'll have another chance for the greek cooking in the future.

About the rights of the poets, I have already sent the declaration to SACEM through my Editor in Paris, Mr. Mario Bois and they will take 25% of mechanical rights, which means the half of the greek poet's share according to the rules of SACEM. I have explained also to Arja all details about this problem.

RE: CONSERT IN OSLO.

The consert we are doing next thursday, for the Norwegian Labour Party, is on a stage, a little different that we are used to.

As you can see out of the drawing it is not very deep, just 4 meters. I have therefor suggested a set up as you can see out of the drawings.

The back row with bass, drums, percussion and keyboard will be built up. The rest of the stage, and the wings have same height.

You are staying in Bristol hotel as last time.

For the gig on friday we are suggesting we go back to Oslo after the consert. Very confortable buss with airplane seats etc.

Best regards

Petter

Dear Mr. Sandberg,

Thank you for your Fax of 23.10.92.

We received the contract and everything is o'key. Besides there is no problem for Mr. Theodorakis, if you do Tynset and NRK with only one guitarist. Also about the reception in the Greek Embassy there isn't anybody else, who Mr. Theodorakis would like to invite.

The only problem is the time of the rehearsal NRK on the 7th of November (14.30' - 16.00'). As you know, Mr. Theodorakis needs to rest for a while after lunch. We know that the time of the rehearsals for a TV-Programme maybe doesn't depend totally on you, but if it is possible, please, try to put it between 11.00' - 13.00'. And for every similar case in the future we'd like to ask you to try not to have anything after lunch, so that he can rest at least for two hours in the hotel.

By the way, could you send once more the telephon and Fax number of hotel Bristol?

We need also to know the numbers of the flights.

Thank you very much.

Dear Arja,

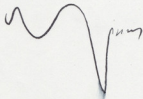

Thank you very much for your Fax.

I hope, that everything will be o'key with all problems we had recently.

Now about the TV Programme on 28th of November: As you know, for me it is very hard to travel all the time and especially to cities without direct flights from Athens. But this is really impossible, if I have to do it just for few days, only for a Press-conference, or for a TV-Programme, even if they are important for the record.

So my answer for the Programme of 28th of November and for any similar case in the future is, that I can come only if they can combine it with at least five concerts. Otherwise it is really too tiring for me and unfortunately I have to refuse. I am sure, that you can understand it.

Dear Rena,

URGENTLY, please contact Mikis,

We have a new plan for Sweden:

- arrival 25th of November and Press Conference
- 26th TV interwiev for a cultural program
- 27th concert outside Stockholm
- 28 th concert outside Stockholm
- 29th concert in Concert Hall in STOCKHOLM !!
(we happened to get a free date which is unique...)
- 30th live concert in TV program direct from the old famous
Berns with our own orchestra
- 1st of Dec Press Conference in Copenhagen

Mikis has said yes to come to Stockholm and Copenhagen for the press conferences but I know that he prefers to have concerts at the same time. Miraculously we are now planning 3 concerts to the same period, just as Mikis wished and also miraculously we have got the big Concert House for the very best period of the year just before December.

And those TV programs and press conferences and the reliese of the record at the same time makes a very strong start for us in Sweden to continue then in February with more concerts...

We need a very immediate answer from Mikis before we start advertizing which must happen at the beginning of next week. So please look up where Mikis is in Germany and let me know.

PS. Since Christian Boissel is with Mikis, it concerns also him, he should reserve the period 27.11 - 1.12. I need to know where Mikis and Christian are.

Ankie Medin will be in my office if I am out. Please give a quick answer.

Fax to Mr Mikis Theodorakis 00930-1-92 36 325

Dear Mikis,

I am glad to confirm the following program for the Stockholm-tour:

- 25/11 Arrival in Stockholm. The recordcompany (Sonet) will arrange your flying tickets. Dag Haggqvist calls you tomorrow Thursday 19/11. You will stay at Hotel Eden at Stureplan and there will be a Pressmeeting when you arrive with people from newspaper, radio and TV. Lots of friends, good food and red wine. We start at 17 and end whenever you wish.
- 26/11 One of the most famous radio personalities want to interview you in his programme "Ater Three" about 30'clock in the afternoon.
In the evening you are on the absolute best cultural TV-show direct - live - together with Arja, Lakis and Gregoris. They want an interview with you and Arja and alsor the four of you to do a song. Perhaps with you on the piano together with the two bouzoukis and Arja. Is it OK. Do you have any suggestion?
Time schedule: 16.30 First rehearsal
21.00 Big rehearsal
22.45 Directlive programme
- 27/11 Consert in the Big Conserthall in Jönköping at 19.30
- 28/11 Consert at Tonhallen in Sundsvall. We stay over night at Hotel Sundsvall.
- 29/11 09.00 leaving Sundsvall with the bus for consert in the Big Conserthall in Stockholm at 19.30.
- 30/11 Right now the planned TV-show is not confirmed. If it will be cancelled we plan to do the press conferense in Copenhagen this date in stead of the 1st. I'll come back to you about this later on.

I wonder if you want to stay in Copenhagen over the night or just stay a couple of hours for the press conferense and go home with an afternoon flight? Please let me know during Thursday either on fax nr 46-8-650 17 90 or phone 46-8-652 11 05.

We are lucky to have arranged these program in such a short time. Everyone is happy to have you here in again and they cooperate enormously. But every coin has a back. I need to talk money with you.

The conserthalls in Jönköping and Sundsvall is half the size of the Conserthall in Stockholm (there Arja said that all of you will agree on the same contract as in the last Norweigen tour). Therefore I suggest a sum of 7.800 DM for these two (Jönköping and Sundsvall) occasions each. Of course you will be paid for your TV-performance. I will let you know the sum they suggest, as soon as they send the contract.

Handwritten notes:
25/11 19.11
26/11 19.11
27/11 19.11
28/11 19.11
29/11 19.11
30/11 19.11

I also send a copy of one of the advertisements that will be in the most important newspapers in Sweden.

I have had serious discussions about the sound equipment, and I have made an agreement with very good people with modern technique. They want to show you what a real sound could be like, both on stage and in the audience. Not like Tynset, if you remember.

Please let me know your reaction to this fax as soon as possible.

Best regards to you and your wife

Annie

DEAR MIKIS.

I HOPE EVERYTHING IS FINE WITH YOU, AND WYTHHO!

I SPOKE TO ARJA A FEW DAYS A GO, AND I THINK IT WILL BE POSSIBLE TO DO SOMETHING IN DENMARK AND NORWAY I CONECTION WITH YOUR CONSERTS IN FINLAND.

THIS MEAN THAT WE CAN TRY TO SET UP LIKE 3 - 4 CONSERTS IN NORWAY, AND 1 - 3 IN DENMARK. FROM THE 10TH FEBRUARY UNTIL 18TH FEBRUARY. I KNOW YOU ARE OCUPIED FROM 19TH.

AONTERH THING WE TALKED ABOUT WOULD BE THE POSIBILITY TO BY SHIP "HURTIGRUTA" IS THE LINE CALLED, FROM CITY TO CITY IN THE NORTH OF NORWAY, TOGETHER WITH SOME OF YOUR FRIENDS. MY OFFICE IS CHECKING THE ROUTES AND WILL COME UP WITH SOME SUGGESTIONS.

AND IDEA :

START ABOUT ON A TRIP LIKE THAT, TO STOP IN SOME VERY SMALL PLACES AND DO INTIMATE CONSERTS, FOR SMALL AUDIENCES, WITH JUST YOU AND ARJA. TO PIANOS, OR SOMETHING LIKE THAT.

ANOTHER THING IS THAT I SUGGESTED FOR THE NORWEGIAN OLYMPIC COMITEE THAT YOU AND ARJA WITH THE BAND SHOULD DO SOMETHING THIS YEAR AT LILLEHAMMER.

THEY CALLED ME BACK TO DAY AND TOLD THAT THE OPENING OF "MAIHAUGEN" (A VERY SPECIAL CONSERTHALL) WILL TAKE PLACE FEBRUARY 27TH, WITH THE QUEEN PRESENT ETC. IS THIS DATE POSSIBLE FOR YOU.

MAYBE WE SHOULD COMBINE LILLEHAMMER, THE BOAT-TRIP AND EVEN SOME OF THE CONSERTS.

A QUICK ANSWER ON THE 27TH WILL BE VERY NICE

BEST REGARDS

Hello Mikis,

How are you going? I hope that everything is fine with you and
Paco.

I have been in Finland and in Oslo.

Finland dates are now clear. Mikkeli, my home town has invited
us to have the first concert there, outside of the tour
management. It will be very special ^{event} but it is also good as a
first rehearsal before the big auditoriums. The dates are as
follows:

- 25.1. Athens Helsinki (you can also travel 26 all the way if
it is not too long)
- 26.1. Arrival in Mikkeli
- 27.1. Mikkeli, concert
- 28.1. Arrival in Turku
- 29.1. Concert in Typhoon-hall in Turku (the 2. biggest city
in Finland)
- 30.1. Concert in Finlandia-House, Helsinki
- 31.1. reserve day for the 2. concert in Helsinki
- 1.2. free, travel to Tampere
- 2.2. concert in Tampere-House, live recording
- 3.2. reserve day for the 2. concert in Tampere, live recording
- 4.2. mixing the record together with Mikis in Tampere

The contract is coming. The promotor is called Projecthouse
from Turku, that is Johan Hollsten. He came to see us in
Stockholm. You met him in Hotel Eden.

I met a lot of press, radio and TV in Helsinki the 16,17 of
Dec and told about our tour. The interest is enormous. For
Finland this means of course something very special.

people have a very special, warm and loving relationship for you and the Greek people and also I happen to be Finnish. I am moved in tears about their preparations, also Mikkeli is going to receive us in a very special way. After our concert in Helsinki there is going to be a dinner at the Old Student House, the very same place where we met each other for the first time for 22 years ago etc etc.

After Finland we try to have some concerts in Sweden in between the 4 - 10 of February. I am meeting right now here in Stockholm some professional managers.

Then comes Norway and Denmark.

I had a long meeting with Petter. He has, I hope, already sent you a fax about that.

The special idea with your old friends:

I told Petter about the idea you mentioned to me to include your old friends with us to experience something really exotic and different in the North in the old Viking spirit. Well, we have planned something thrilling: to make that famous boat tour called Hurtigruten in the very North of Norway. We could combine it with some very different small intimate^{ate} chamber concerts with just you and me sitting at the piano and singing alone and/or together. You could accompany us and me and I could even accompany you. I could recite some poetry you are singing etc. How about that?? Wouldn't that be a wonderful and different idea - and new.

We could do it in the boat while staying at some small towns or in the theatre of these small towns and villages for 400 - 500 people. We would all live in the boat during this tour, your company, Petter, me and the sound technician. That way we can specially design a tour to show your friends the most remarkable and exotic things the Nordic nature can offer, we can also make sightseeings on land and sometimes live in a hotel if needed. The best period would be after your Belgium at the

The best period would be after your return at the

beginning of March. The sun starts to show up some time in February but it is still rough winter, ice, snow, the sea and the sky - the basic Nordic Gods of nature guiding us. I think that nobody of us will never forget that tour. A visit and a little concert to Svalbard (remember we talked about that), the island almost in the Arctic Pole can also be included. Think about it and ask your friends if they are interested. Petter and I would do our very best to prepare a unique experience for you and your friends - also that little intimate concert form makes it economically possible and the people of the North would love it that way - they would love to see just two of us giving that special musical experience intimately.

I heard about the preparations of Chile from Rena. That all sounds very exciting. Can you imagine the concert in Isla Negra, or the opening of the Theatre of Nations Festival where also all the theatre people of the world are present, not to talk about the meeting with the Chilean people. It sound really good.

It is Saturday afternoon. I just wanted to greet you with some nice news and tell about the extra concert in Mikkeli 27th of January. The idea of it came last Sunday and only in one meeting the city government of Mikkeli decided that they wanted us to start in Mikkeli. So, you see, it swings in my home town, they have temperament, no dull bureaucracy!

Have a nice weekend Mikis, I will hear of me on Monday before leaving for Mikkeli for Christmas.

Much love as always

Γνώρισα τήν Άρια Σατονομά στέ 1971 στέ Βλασίκι, Ξκου σέ κάποιο θέατρο τραγουδοῦσε Ρωμιοσύνη. Μοῦ ἔκανε ἐντόπιωση ἡ φωνή της καί ὁ τρόπος ἐρμηνείας της. Γι' αὐτό λόγο ἀργότερα τῆς πρότεινα νά γίνει μέλος τῆς οἰκίας με τήν ὀνομα τήν ἐποχή ἐκεῖνη πραγματοποιοῦσαμε συναυλίες σέ ὅλες τίς ἠπείρους. Ἔτσι ἡ Ἄρια ταυτίστηκε καί με τῆ μουσική μου ἀλλά καί με τόν ἀγῶνα μας. Πρωτοτραγουδῆσε μερικᾶ ἀπό τᾶ μέρη τοῦ Κάντο Χενερδάλ, τραγοῦδια ἀπό τόν κῆλο τοῦ Ἄδρια, καί Τραγοῦδια τοῦ Ἄγῶνα. Τό κοινὸ μας, στήν Ἑθρώπη, τῆ Νότια Ἄμερική, τήν Ἀυστραλία, τίς Σκανδιναβικές χῶρες, τήν ἀγάπησε πολύ.

Μετά τήν πτώση τῆς χούντας, ἡ Ἄρια ἐπιδόθηκε σ' ἕνα σοβαρὸ καί ὑπεθύνο ἔργο, στή χῶρα της κατ' ἀρχήν, τήν Φινλανδία, καί ἐν συνεχείᾳ στή Σουηδία. Ἐμπιστεύτηκε τῆ μετάφραση τῶν τραγουδιῶν μου σέ δοκιμους ποιητές, πρόσεξε τήν ἐνορχήστρωση, ἔδωσε ἕνα δικὸ της χρώμα σ' αὐτό ποῦ λέμε λαϊκή Συναυλία. Καί ξεκίνησε μιᾶ ἀληθινή σταυροφορία με βάση τὸ ἔργο μου, ποῦ ἀληθινᾶ τῆ φέρνει στή πρώτη θέση τῶν τραγουδιστῶν, ποῦ ἔχει μῦθο ἀγάπησαν ἀλλά καί ποῦ προπαντὸς ὑπερασπίστηκαν τὸ τραγοῦδι μου. Τὸ ἀποτέλεσμα αὐτῆς τῆς δραστηριότητος ἦταν ἑκατοντάδες συναυλίες, δεκάδες τηλεοπτικᾶ προγράμματα, καί πολλοὶ δίσκοι με τεράστια κυκλοφορία. Ἡ Ἄρια ἔγινε ἀπό τᾶ πρῶτα, ἕως τὸ πρῶτο ἔνομα τοῦ τραγουδιοῦ στή Σκανδιναβία. Ἀπὸ τήν πλοῖσια ὁρᾶση της θ' ἀναφέρω μόνο δυὸ παραδείγματα: 1-Τῆ λαϊκή ὄπερα Ἄρια ὅταν τᾶ τάνικ θά σκουριᾶσουν τὸ τραγοῦδι μου θά ζεῖ, με πρωταγωνίστρια τήν Ἄρια, στέ 1974 στή Στοκχόλμη, καί 2-τῆν παρουσίαση τῆς Ἄριας Κατάστασης Πολιορκίας σέ σειρά συναυλιῶν με δεκάδες χιλιάδες ἀκροατήριον, στέ σουηδικᾶ, καί τὸ διπλὸ ἄλμπουμ ἀπ' αὐτό τὸ δύσκολο ἔργο, ποῦ κανένας Ἕλληνας συνάδελφος τῆς Ἄριας δέν τόλμησε σήμερα νά παρουσιάσει στέ ἑλληνικὸ κοινὸ. Ὀχυρωμένη ἐπάνω στήν ἀγάπη τοῦ κοινου, ἡ Ἄρια, μετά τήν Ἑλλάδα, στρέφει τὸ ἐνδιαφέρον της σέ ἄλλη στή

Dear Mr. Schmidt,

Last week I was in the unpleasant situation to tell Arja that our dates in May for scandinavian LP recording, have changed, and are now between the 17th and the 22nd included.

Today, I must change our planning concerning June. Minister Theodorakis' tournee in Germany will take place from the 4th to the 10th of June, so we have from the 10th to the 14th a possibility of recording the German LP.

Of course - and for the time being - our dates from the 25th to the 30th stay open for you.

Wishing you all the best yours,

Dear Mr. Schmidt,

I was in the conference situation on July 15th and our dates
in May for conducting the recording, have changed, and are now between the
17th and the 21st inclusive.

Today, I must change our planning concerning the Minister's recording.
Because in Germany will take place from the 15th to the 17th of June, so we
have from the 10th to the 14th a possibility of recording the German 15.
Of course -- and for the time being our dates for recording are still
very open for you.

Withing you all the best

Hollo Mikis,

ARIA

We are working on the record contract. Everything is prepared to start with the project. But the contract takes its time. In about a four weeks time Flemming thinks something is going to happen.

In the meanwhile I have been in London to meet a musician called Mike Moran as a possibility for arrangements.

I think he is the man and I think that you'll like him.

Mike Moran is one of the "hot" names in the contemporary music and pop-rock. He is producer, composer, arranger and musician who studied piano, clarinet and composition at London's Royal College of Music. After graduating he became a fulltime musician much in demand for live and session work.

Mike Moran has among many many other things co-written and co-produced with Freddie Mercury (from the group Queen) the very successful 'Barcelona' LP and single which featured Freddie and opera star Montserrat Caballé. The single was a major hit in the UK and Europe and it is to be the official theme music for Spanish TV's coverage of the 1992 Summer Olympics. etc etc Mike has worked with many of the world's superstars from Paul McCartney, Stevie Wonder to José Carreras and Plácido Domingo. His merit list is very long.

He is very enthusiastic and we get along very well.

I have given him music to listen to. We are preparing ourselves but everything starts first after the contract, worldwide...

So, Flemming says that the recording time schedule is going to be about one month later. Otherwise everything is as written on the schedule.

I hope everything is fine with You and that I hear soon of You and that You will like Mike Moran.

Once again: thank you for the last time in Athens. We had a wonderful time!

Dear Mikis

Further to our meeting in Greece and recent meeting in London with arranger/producer Mike Moran please find below information about the progress of this interesting project.

Mike Moran, who has worked with some of the biggest artists of today (see attached biography), and is highly acclaimed within the music business, expressed his interest in being involved in the recordings.

In that respect we discussed how to choose the songs and record them in a way that is suited for the 90s, but at the same time stays true to the feelings expressed in the original recordings.

It was established that from a musical and commercial point it is practical if the albums are based on 12-14 songs, which will be added lyrics in respectively Scandinavian languages, German, Spanish, English and French.

To enable us to be in a stronger position when negotiating the deal with record companies (of which several are very interested) we decided that a demo containing 3 tracks presenting the concept, ie arrangement, Arja's voice, tentative lyrics in different languages etc., is absolutely essential and should urgently be recorded. Not only will this demo provide us with a major tool during negotiations, but also ensure that we pick a company with absolute understanding for this unique concept, who is willing to commit the time and marketing expenditure it takes to reach the potential sales level of these albums. As the demos will be recorded as "nearly masters" it will also save us some time during recordings and more important provide us with an artistic direction for the albums.

producer Mike Moran please find below information about the progress of this
interesting project.

Mike Moran, who has worked with some of the biggest artists of today (see at-
tached biography), and is highly acclaimed within the music business, expres-
sed his interest in being involved in the recordings.

In that respect we discussed how to choose the songs and record them in a way
that is suited for the 90s, but at the same time stays true to the feelings
expressed in the original recordings.

It was established that from a musical and commercial point it is practical if
the albums are based on 12-14 songs, which will be added lyrics in respectively
Scandinavian languages, German, Spanish, English and French.

To enable us to be in a stronger position when negotiating the deal with record
companies (of which several are very interested) we decided that a demo con-
taining 3 tracks presenting the concept, ie arrangement, Arja's voice, tentative
lyrics in different languages etc... is absolutely essential and should urgently
be recorded. Not only will this demo provide us with a major tool during nego-
ciations, but also ensure that we pick a company with absolute understanding for
this unique concept, who is willing to commit the time and marketing expenditure
to take to reach the potential sales level of these albums. As the demo will be
recorded as "nearly masters" it will also save us some time during recordings and
more important provide us with an artistic direction for the albums.

Arja and Miké Moran spent Wednesday and Thursday this week selecting possible songs for the demo and came up with the following:

1. Santiago
2. Open The Door Softly
3. Lullaby
4. Kaymos
5. I Open Your Door Tonight

Of these songs 3 will be selected and recorded with tentative lyrics, ie lyrics from previous recordings or rough translations by Arja that will present her performance in different languages.

Considering the time involved in arranging, producing and recording these songs the budget for this demo will be approx. £ 12.000 including Arja's flight and accommodation in London during recording of the vocals. As this demo is, as previously stated, absolutely essential to secure a record deal and contains songs from your backcatalogue and not from recent releases, it is normal procedure the publishers pay all costs involved as an investment in future earnings created by revitalizing repertoire, where they hold the rights.

Could you please check with the publishers of the an. songs if they agree to pay for the demo. If they refuse the only other option we see to continue with this project is that yourself and Arja pay 50% each as according to the original, verbal agreement, where all income, ie record sales, publishing incl. mechanics and touring will be split 50/50 with a 10% commission to be paid by each of you to DKB for handling the project.

I hope this fax contains all relevant information - else do not hesitate to contact me. Your prompt reply will be much appreciated, so we can establish a new time schedule.

MIKE MORAN

Producer, composer, arranger and musician Mike Moran studied piano, clarinet and composition at London's Royal College of Music. After graduating he became a fulltime musician much in demand for live and session work.

In addition to his current work as a songwriter and record producer, Mike is also a successful and prolific composer of film and tv music - especially drama. His 1990 tv credits included a further series of STV's highly regarded police drama 'Taggart', as well as the second series of Granada's 'E.I.D.'. He also wrote and produced some featured songs for episode 3 of Cinéma Verité's comedy/drama series, 'Coasting' which was co-produced with Granada TV.

His film credits include the cult movie 'Time Bandits', 'The Missionary' and 'Water', the Michael Caine film. He also wrote featured music for 'Deathwish 3', 'The Ditch', 'The Greek Tycoon', 'Betrayal', 'Top Secret' and 'Whoops Apocalypse'.

He has worked a great deal with Freddie Mercury during the past few years and co-wrote with him one of the tracks on the current Queen hit LP 'Innuendo' - the first time a non-member of that group has had a writing credit on their recordings. He also co-wrote and co-produced with Freddie the very successful 'Barcelona' LP and single which featured Freddie and opera star Montserrat Caballé. The single was a major hit in the UK and Europe and is to be the official theme music for Spanish TV's coverage of the 1992 Summer Olympics which are to be held in Spain. The album of 'Barcelona' is already 'gold' in many countries.

Earlier Mike arranged and co-produced Freddie's only solo hit single, 'The Great Pretender', and together they wrote the B side, along with several other songs which have yet to be recorded.

Mike also arranged and produced Elaine Paige's 1988 'gold' album for Siren Records. This was the acclaimed 'The Queen Album', and featured the very best of Queen's songs over the years showcased in an entirely fresh way. The following year he arranged and produced a new artist for EMI Records, Martin Snapes, whose first single and LP were released to coincide with Martin's first major tour as support to Chicago on their UK and European dates.

As a musician and/or arranger, Mike has worked with many of the world's superstars including, Paul McCartney, Freddie Mercury and Queen, Stevie Wonder, Kate Bush, Paul Simon, Joe Cocker, George Harrison, Gladys Knight, Robert Plant, Cliff Richard, Chaka Khan, Carly Simon, Rita Coolidge, Ian Gillan, Roger Daltrey, Leo Sayer, Julio Iglesias, Dusty Springfield, The Four Tops, Lulu, Heart, Survivor, José Carreras, Plácido Domingo...and many, many more. He was also a member of Blue Mink, Stone The Grows and Gillan.

Over the years Mike has worked as a composer for all the major tv companies and has arranged and produced music for many of the world's leading tv channels. His credits also include 'Harry's Game', 'The Contract', 'Bookie', 'The Racing Game', 'The Krypton Factor', 'The Kenny Everett Video Show', 'The XYY Man', 'Love Story', 'Killer', 'The Jimmy Young TV Show', 'Chain Letters' and others - see over for detailed list. He has also written the music for many tv and cinema commercials, most recently Peter Dinklage's European sports campaign. His music has also been used as background music for daily broadcasting music packages, notably for LBC Radio in London.

He has written, or co-written, more than 100 songs and has many covers to his credit by well known artists, including 'Rock Bottom', which was a huge Euro hit for himself and Lynsey de Paul as the UK's Eurovision Song Contest entry in the late 1970's.

4.11.1991, Stockholm

Dear Mikis,

Congratulations for your new opera. I am sure that it is a great success.

Finally I can bring happy news to You and present an idea and a concrete working plan for us for Scandinavia.

It was too bad that the Danish management plan didn't work. It probably started too big and was too "rock" and unrealistic. So, let's forget Flemming Smith and start from the beginning.

There are many other possibilities. here comes one: As you said Mikis, you are right: let us start from Scandinavia. It is here that people really are waiting for us, they keep asking when we come etc. It is here that we can have the 20 years celebration and revival of our music and make it in our own way.

This plan starts from Norway:

A management group called Stagemay in Norway has proposed to produce a live record with Mikis and Arja and organize a tour following up that record.

The recording can be made as soon as possible, at the beginning of next year, in February if it would be suitable for you, or as soon as we have the repertory fixed.

The place would be Trondheim. Trondheim has a fantastic new concert hall- hotell complex.

Is is a perfect place to fill up with an audience for some concerts. It has all the best modern facilities to make a super live recording. The director of the hall is a great person and a great Mikis and Arja enthusiast who has been a long time inviting us to come there together. He would make everything possible for us if we come.

The idea is to build up an intimate concert, in principle just you and me would be enough, and a little group of musicians of course if you like.

We could sing together, you could sing and play (if you want to, of course), I would sing, we could improvise, looking backward and forward in time through music and poetry, in an intimate and warm atmosphere together with loving Norwegian audience like once in Student House in Helsinki 1971 when we met for the first time, do you remember?

We could give some 2-3 concerts and they would be recorded live and edited into one big anniversary-album: Mikis and Arja 20 years of music and poetry or something like that.

In fact, that's what people are most waiting for in Scandinavia.

Dear Mikis,

Congratulations for your new opera. I am sure that it is a great success.

Finally I can bring happy news to you and present to them and a concrete working plan for the Scandinavian.

It was too bad that the Danish management plan didn't work. I probably started too big and was too "rock" and unrealistic. We had a forgetful planning which was also too long.

There are many other possibilities, here comes one: As you said Mikis, you are right: let us start from Scandinavia. It is here that people really are waiting for us, they keep asking when we come etc. It is here that we can have the 25 years celebration and revival of our music and when it is our way.

This plan starts from Norway. A management group called Skagway in Norway has proposed to produce a live record with Mikis and Arve and organize a tour following up that record.

The recording can be made as soon as possible at the beginning of next year, in February if it would be suitable for you, as soon as we have the repertoire fixed.

The place would be Trondheim. Trondheim has a fantastic new concert hall - better complex.

It is a perfect place to fill up with an audience for some concerts. It has all the best modern facilities to make a super live recording. The director of the hall is a great person and a great Mikis and Arve enthusiast who has been a long time inviting us to come there together. He would make everything possible for us if we come.

The idea is to build up an intimate concert, in Trondheim just as it was in the beginning and a little space of audience of course if you like.

We could sing together, you could sing and play. If you want to, of course. I would sing, we could improvise, looking backward and forward in time through music and poetry, in an intimate and warm atmosphere together with loving Norwegian audience like once in Student House in Helsinki 1932 when we sat for the first time, do you remember?

We could give some 2-3 concerts and they would be recorded live and edited into one big anniversary-gig: Mikis and Arve 25 years of music and poetry or something like that.

In fact, that's what people are most waiting for in Scandinavia.

Then the record would be released and we would go on tour in other cities in Norway and finally the big new auditorium called Spectrum in Oslo.
Then the record would be released in other Scandinavian countries (Sweden, Denmark, Finland) and follow up with concerts.

Now comes another idea:

As you know I have been since 1988 a so called good- will ambassador of United Nations for the refugees.
This year the UN office UNHCR (United Nations High Commissioner For Refugees) is celebrating their 40th anniversary.
We can if we want dedicate our work and tour to focus the world refugees and UNHCR. We can make our concerts a place and an opportunity to celebrate the 40 years UNHCR if you like the idea.

In that case the tour could be an official UN- tour and go under the UN sign. UN does not have money to organize anything (rather they need it), so the tour must be organized and function in a normal commercial way.

But UN can and will contribute in organizing everything else:

The tour will have the UN status with invitees and an official reception in every country, possibly together with Ministry for Foreign Affairs (like in Oslo, Thorvald Stoltenberger, Minister for Foreign Affairs is former High Commissioner for Refugees), and UN could put up some exhibitions of the world refugee situation in auditorium entrees etc.

UN - office is very enthusiastic about the idea and is waiting to get an answer from us.

Are you interested?

If so, with UN or without?

Last spring when that Danish plan collapsed, you asked me to find another solution. This is it Mikis. It is more humble, but it is realistic and workable, and has a great status and quality from the very beginning.

And Mikis, it would be wonderful, ja, immemorable, to celebrate our 20 years together by focusing together our work for the refugee situation of the world of today. A real dream situation that I can't wait...

But of course, we do not need to do that. We can make a pure artistical tour too, without UN. It is up to you.

Shall we go on with our dream plan, the one we decided last November, exactly one year ago in my house in Stockholm, do you remember?

Please let me know. For a long time I have tried to reach you by telephone and I will call you again. Please let me know where to reach you.

d Gentöt, your friend forever, as usual
Per

(Arjas fax number: 468 - 660 11 37, please inform if fax recieved)

TOURNEE MONDIAL MIKIS & ARJA 1991

THE ITINERARY OF PROMOTION AND PLANNING

- 1) FEBRUARY: recording of 5-10 songs in English on a DEMO- tape.
- 2) MARCH - APRIL: world-wide record deal
- 3) MAY-JUNE: recording the English version in studio
- 4) JULY: making of two videos (music- videos)
- 5) AUGUST- SEPTEMBER: releasing the record in English, worldwide by the 15th of September
- 6) JULY- AUGUST: recording of local versions in Italian, Spanish, German, Greek, French, Swedish and Finnish
- 7) SEPTEMBER: a promotion tour Mikis & Arja with intervjus on radio, TV, personal appearances, showing the videos, newspapers, massmedia promotion.
- 8) A WORLD TOUR IN OCTOBER, NOVEMBER, DECEMBER, JANUARY plus releasing the local versions of the record in November during the tournee.

This plan has been made by Flemming Smith who has a management company DKB in Copenhagen. He is working world wide with for instance Leonard Cohen. He is experienced, professional and has a 'gout' for this kind of art in music. According to my opinion he is absolutely one of the best in the Scandinavian countries with the worldwide experience that we can think for us. A part of that, during my telephone contacts with him, he seems personally inspired and sees the 20th anniversary of Mikis and Arja as a worldwide possibility. To prepare well the English concept and to promote and initiate it into the English speaking Anglo-Saxon music-world is, as You see from the schedule, important to start right now to prepare, he thinks.

I want your opinion of the plan. The concert dates should be booked very soon. But somebody must get the 100% confidence from us to start working professionally. Again, I want your opinion on that. Do I have your 100 % confidence to start driving this project?

I am happy to work with my "brother" Georgios Logothetis whom I have always loved. I have contacted Grigoris in Munich who is very happy and excited of the project.

I am excited about the idea of creating 12 songs (bien choisi!!!) in English and find a fresh, youthfull and new musical approach to it.

I am looking for the material, Grigoris is looking also for the material,

and I hope that You could think about it too, what songs would be self-evident to create in English for instance?

I have some ideas of the songs and the musical concept that I want to discuss with You.

I think that the whole concept should be full of joy and happiness, dramatic, rhythms and melodiosity, to create a new inspiration, a new global vision for the future! People really need a new excitement, a new faith and inspiration. It seems to me that before they were inspired against something; that they got the joy and inspiration out of the aggressivity and hate. Now is a new time. There is an expectation in the air, people are empty, tired and kind of disillusioned, split...

This is my opinion for instance of the Swedes today. There is really no inspiration. Sweden is a good example because it is so advanced in many ways. I have been worriedly thinking: what can I give that inspires? What inspires people today? Really?

People want the old music, the old feeling, feeling on the barricades... That was so inspiring. But what barricades can we create today? ...that would be FOR something joyfull, inspiring, global... to create a context... that would bring all this need that is, together again...

Well, I am thinking aloud now. Optimist and idealist as I always am...

I would like to talk about these things with You in the context of what we are creating for the future - with all the valuable things from the past: to bring them up again, in a new way, also to recreate them for the young people.. They don't know about all these fantastic things, how could they because nobody is creating it to them, they are wrapped up in their rock world. But they are curious, very open to receive...

Now is the time. I can sense it also from the discussions with the manager Flemming Smith who knows the "music branch": an expectation for a new inspiration, sound and era.

I believe in "our" music. You are a legendary person. We need to create from the past to the young for the future. I want to build this up with a super professional "gang". I want to build it up with You, in close collaboration and 100% confidence, so that nothing happens behind your or and inspiration

... storstua i midt-Norge!

OLAVSHALLEN

Olavshallen – med plass for så mye...

Vi nærmer oss to-års-dagen for Olavshallen, og det har vært to spennende år. For Olavshallen er for alle som har besøkt Norges nyeste konserthus. Det har blitt sagt mye om Olavshallen siden september -89, og det aller meste er positivt. Fin akustikk, gode stoler der man ser godt fra nesten alle sitteplasser. Intim, sier de fleste artistene som har besøkt oss så langt. Og ut "i verden" hører vi at ryktene går om "en fantastisk konsertsal nord i Europa..."

Innen vi fyller to år i september -91 ser det ut til at hver eneste beboer i stor-Trondheim har besøkt Olavshallen (og vel så det!). Da skal vi også huske på alle som i tillegg har besøkt Olavskaartalet, enten som hotell- og restaurant-gjest, eller som handlende i butikkene i kvartalet. For ikke å glemme de nesten 3 500 musikk-elevene som hver uke får musikkopplæring i kvartalet, som studert på musikk-skolen eller på musikk-konservatoriet.

Olavshallen satser på allsidig musikk-kultur. Våre spilleplaner taler sitt tydelige språk, – her skal det være plass for det meste. Og kanskje er det bredden som preger Olavskaartalet. Enten du er konsert-publikumec, artist, hotellgjest eller musikkstudent.

Vi er inne i et nytt og spennende 90-tall. Utfordringene står i kø for alle som vil være med å prege kulturen imot et nytt decenium. Og vi som arbeider med kulturformidling i Olavskaartalet er klare til å ta utfordringene. Kontakt oss enten du vil besøke oss som bruker av sal, eller av våre scener.

Sagt av noen som har brukt oss hittil:

"Fantastisk kontakt med publikum, en sjelden intim sal selv om det er nesten 1300 mennesker her i kveld."

Yngvar Næmme, Dizzie Tunes

"The Acoustics are excellent. Congratulations to Trondheim!"

Oscar Peterson

"The Acoustics are astonishingly pure."

Rafael Fribeck de Burgos, dirigent

"Den beste hallen jeg har spilt i"

Åge Aleksandersen

"...det var Trondheim som måtte bli stedet, i Olavshallen, og det er vi forferdelig glad for. Vi føler oss velkommen, det er meget proffe folk å jobbe sammen med i hele kvartalet..."

Dan Børge Aaker, kultursjef, NRK
