ΕΠΙΣΤΡΟΦΗ

Μάνου Χατζιδάκι μουσική για ορχήστρα

«Epistrofi» or «Homecoming» celebrates the return of Manos Hadjidakis to the Greek musical scene. In this new LP of eleven original Hadjidakis compositions specially arranged for full Greek orchestra we are once again reminded of the unmistakable stamp of the master of Greek melody. Lifting rhythms and melodies, some slow, some fast, some sad, some joyful but all of them embodying the consummate artistry and sensitivity of Manos Hadjidakis.

The Manos Hadjidakis of the 70's has succeeded in adding another masterpiece to his earlier world famous compositions including, of course, «Never on a Sunday» (from the LP «15 Vespers» SAXG 225) and his major triumph «Lilies out of the Dead Land» (SAXG 101).
